Daycare No-Show and Cancellation Policies

A 24-hour notice is required in order to cancel or reschedule a day care reservation. Without proper notification, clients are still responsible for paying the price of daycare for that day. If you have a package, you will lose a day if you do not give proper notice or do not show up. If a client no-shows or does not give proper notice more than five times they will be asked to no longer come to our day care, since they are taking that spot away from someone else.
